

GOOD SHEPHERD TEXT MESSAGE OPT-IN

We are working to expand our ability to communicate with our members via text messages. We anticipate using text messages for event reminders, notifications of changes to or cancellation of services, and emergency notifications. If you and/or your family members would like to receive text messages from Good Shepherd, please provide the information below. You can return this form to an usher, place it in the offering plate, mail or e-mail it to the church.
